

HRD Corp Train the Trainer Certification Course

GET YOURSELF CERTIFIED, ACCREDITED AND RECOGNIZED as A COMPETENT TRAINER

TRAIN THE TRAINER CERTIFICATION PROGRAM

PROGRAM INTRODUCTION

Learners thrive on engaging and thoughtful training environments and trainers can reach more participants by utilizing dynamic styles of teaching throughout their curriculum. The Train-The-Trainer Certificate strengthens your skills as a trainer and optimizes the development and delivery of your programs. Whether training a big part of your role, or just a small aspect of your job our 5 days course will help you design and deliver effective training programs building a comprehensive foundation in professional training. You will gain confidence in how to present information effectively with variety and flair and acquire the skills to deal with the dynamics of group learning. Work with our experienced instructors to create consistent, efficient and effective training programs suited to your needs and most importantly get recognized as a competent certified trainer.

KEY LEARNING OBJECTIVES & OUTCOME

- Define key training, facilitating and presenting concepts
